Dear Mr. ^{Kon}Poulson

Re: Final Approval, Notice of Intention to Commence Large Mining
Operations, Topaz Mine, Brush Wellman, Incorporated, M/023/003,
Juab County, Utah

The Board of Oil, Gas and Mining approved Brush Wellman's (Brush) form and amount of surety, on January 26, 1989. Brush has posted a self bond in the amount of \$311,300 for a fifteen year period of time.

The Division hereby grants final approval for Brush's Topaz Mine, Notice of Intention and Mining and Reclamation Plan, with the following stipulation:

Brush must fill out and sign the Division's Reclamation Contract (attached).

Thank you for your patience during the long permitting and review process. We look forward to working with you further as we proceed through the steady state bonding process.

Sincerely,

Lowell P. Braxton
